

WEBINAR

Making the Transition from 2D to 3D

CORNING

10:00 a.m. CET | October 8, 2024

Join our webinar to learn about:

- The difference between 2D and 3D cell culture and the benefits of moving to 3D cell culture
- 3D cell culture systems and their applications
- Corning solutions available to streamline and improve 3D workflows

Presented by

Hilary Sherman
Senior Scientist
Corning Life Sciences

Q&A by

Lotte Hiddingh
Scientific Support Specialist
Corning Life Sciences
